RI DEM DIVISION OF AGRICULTURE (DAG)

AGRICULTURAL EMERGENCY RESPONSE PLAN (AG ERP)

Search in the DEM ERP:

This page lists parts of the **Agricultural Emergency Response Plan (AG ERP)** with links to the full text (in pdf format).

Other environmental emergency response plans, procedures, and forms are in the full [DEM ERP](http://www.dem.ri.gov/topics/erp.htm) <<http://www.dem.ri.gov/topics/erp.htm>>.

To view a particular AG ERP planning document, just click on its name or the nearest link above it. You can find the name for a particular part of the AG ERP through a key-word search or by browsing an appropriate section below:

- [Animal Disaster / Animal Care Plan](#)
e.g., for care of livestock or pets in an evacuation
- [Animal Disease Plan](#)
e.g., for an outbreak of a highly contagious or zoonotic disease. Annexes to the plan include:
 - Foot-and-Mouth Disease (FMD)
 - Avian Influenza (AI)
 - Monkey Pox
 - Lymphocytic Choriomeningitis Virus (LCMV)
- [Mosquito-Borne Zoonotic Disease Plan](#)
e.g., for an outbreak of Eastern Equine Encephalitis (EEE)
- [Radiological Emergency Ingestion Exposure Pathway Plan](#)
e.g., for support of EMA during a release from a power plant
- [Drought Plan](#)
e.g., for emergency construction or expansion of farm ponds
- [Plant Health Emergency Management Plan](#)
e.g., for containing a pest or pathogen in orchard stock
- [Hazardous Materials / Environmental Protection Plan](#)
e.g., for remediating a pesticide spill

ANIMAL DISEASE PLAN

(Section 6-9 of the DEM ERP)

Introduction

Response to “Highly Likely” Scenarios

- Presumptive Positive Case Response
- Confirmed Positive Case Response
- Presumptive Positive (Secondary Case) Response
- Confirmed Positive (Secondary Case) Response
- Returning to Disease Free Status
- Animal Disease Response Incident Command Structure (ICS)
- Quarantine And Surveillance Zones
 - Infected Zone
 - Protocol for Establishment and Maintenance
 - Surveillance or Movement Control Zone
 - Protocol for Establishment and Maintenance
- Guidelines
 - Depopulation and Disposal – Carcass Disposal Team
 - Cleaning and Disinfecting (C+D) – Biosecurity Team
 - Animal Welfare
 - Equipment
 - Indemnity and Appraisal
 - Milk and Milk Products
 - Meat
 - Zoological Parks
 - Germplasm Centers
- Glossary and Acronyms
